

# Mrs. Hausrath's Class News

<b>Newsletter for the May and June 2010</b>	
<i>Religion</i>	<i>Language Arts/Spelling</i>
<p>During the month of May, grades 1,2, and 3 will be collecting change for Cystic Fibrosis. Our class meets with Mrs. Gilbert's class each Friday afternoon. We gather in the chapel where volunteer readers from each class read a story from the New Testament and present questions to their classmates for discussion. Bible reader's for May are Jordan &amp; Sarah M.</p> <p>Religion continues to be a focus of all we do!            School Mass : May 13 &amp; 26 - 9:40 AM            The third grade will prepare mass on the 26th. Fr. Gary Kibler will celebrate with us! We will have our May Crowning of the Blessed Mother, and recognize all who have made their First Communion. More information will follow!</p> <p style="text-align: center;">June 9            Please join us!            7:00AM Mass in the chapel- First Thursday of every month~ May 6, June 3.</p>	<p>We are now working on concepts in Unit 6. Books may remain home for review until June 14. The children should review a little each night. We will be developing these concepts in our daily writing. Unit 6 test will be May 25.</p> <p>The children will be given a new spelling list every Monday. Our last unit is U 35. Our final test will be May 21.</p>
<i>Reading</i>	<i>Math</i>
<p>This month we will read <u>The Trumpet of the Swan</u>. There is an activity packet that accompanies. This is a beautiful story that teaches us about the gifts we bring to others through our differences. I hope this will bring a perfect ending to our wonderful year of growing together.</p> <p>The students enjoy working with our first grade reading buddies in Mrs. Nuwer's class. We meet every other Wednesday from 11:45 AM- 12:15 PM. There is always a fun activity to accompany the reading.</p>	<p>We will continue to review addition and subtraction facts. Math concepts will be drilled throughout the day with telling time, word problems, counting change, and measuring. We have completed all of the multiplication facts from 0-11. The children have been using division with no remainder.</p> <p>It is VERY important that they practice these throughout the summer. <b>THEY MUST KNOW THEM IN 4TH GRADE!!!!</b></p>

<i>Science/Social Studies</i>	<b>Special Announcements</b>
<p>Science: Ecosystems- all projects due by May 14. Presentations begin May 17. Unit test May 25.</p> <p>Social Studies: Producers &amp; Consumers- students will be manufacturing products for their class store. Proceeds will be spent on improvements for our school. Unit test May 27. Our field trip to Quality/Tops will help to explain how business works.</p> <p>We will also be visited by Jordan's grandmother on May 17. She and her group will perform dance and song for pre-k - Gr. 4.</p>	<p>I always invite parents and grandparents with "special talents" to schedule time to share with us!! Feel free to contact me with any questions or concerns.</p> <p>Thank you to all of my recess helpers!!</p>
